

YOU'RE INVITED: UNITED NATIONS TOWN HALL  
HEALTH AND HOUSING FOR UNDERSERVED COMMUNITIES

---

Please join **Raquel Rolnik**, United Nations Special Rapporteur on Housing, [The California Endowment](#), and community organizations in a Town Hall highlighting health and housing issues that impact underserved communities across California. The Town Hall provides a unique opportunity for The California Endowment, its grantees, other interested parties and community members to investigate the impact of the economic recession on the American housing crisis. The United Nations Special Rapporteur travels internationally to observe whether governments are protecting the globally recognized human right to housing.
